Midwest LGBTQ Mental Health Conference

Emerging Trends in LGBTQ Mental Health

Friday, March 26, 2010

Coffman Union, University of Minnesota

This LGBTQ mental health conference will feature 30 workshops comprising three educational tracks: a research track, a track for clinicians, and a track for community members and activists. The conference will also include a resource fair and Thursday evening reception.

Keynote Speaker

Katherine “Kit” Rachlin PhD

Dr. Rachlin is a licensed psychologist and certified sex therapist who has extensive experience supporting transgender people, their families, and partners. A member of the American Psychological Association’s Task Force on Gender Identity, she is the author of many published papers and book chapters on transgender health and well being. Dr. Rachlin practices and teaches in New York City.

Who Should Attend

This conference is open to any and all interested individuals, especially those who are allies to LGBTQ communities. With a focus on cutting-edge and emerging trends, this all day conference will be of particular interest to mental health providers and clinicians, practitioners and researchers in health-related fields, educators, community activists, as well as undergraduate and graduate students.
